

Thiosinaminum

Medicine prepared from Allyl sulphocarbamide derived from Oil of Mustard-seed.

History and authority: Introduced by Alfred, Moore and Anshutz (New Old and Forgotten Remedies). Many authors including Blackwood, Boericke have described the usefulness of this remedy in homeopathy. A compilation of different symptoms given by various stalwarts is provided below.

Clinically used for: Adhesions, Enlargement of Lymphatic glands, Keloid, Impaired hearing, Lupus, Scars, Strictures, Tabes dorsalis, Tinnitus aurium, Tumors. Can be used externally as well as internally.

Prepared by: Warming a mixture of equal parts of allyl mustard oil and absolute alcohol with an equal amount of 30 per cent ammonia.

Symptomatology:

Ear

Arteriosclerotic vertigo. Tinnitus caused by fibrous bands. Scar thickenings causing catarrhal deafness. Thickened eardrum. Deafness due to some fibrous change in the nerve. Formation of fibrous bands hampering free movement of the ossicles leading to impaired hearing. Sub-acute suppurative otitis media.

Stomach

Increased appetite. Indigestion, stomach and abdomen flatulent; worse eating;

Rectum

Stricture of rectum, tense as a fibrous band, resolved.

Urinary organs

Quantity of urine increased with absence of albumen or formed elements.

Female sexual organs

Tumours and abnormal growths of uterine appendages.

Respiratory organs

Hastened respiration.

Generalities

Sensation of heat and burning in affected parts. Increased body weight. Swellings of glands reduced. sweat, depressed, chilly.

Back

Frozen shoulder. Tendency of ligament tear in the shoulder region. Sciatica, pain in hip down to knee, worse motion. Back pain making the patient unable to walk.

Skin

Distinct local reaction in lupus cases after a few hours. For urticaria, lupus. Dissolves scar tissues.
